RE: Appeal

Dear Mr. Chernavage,

I received a letter from you on April 13, 2012, that was post marked April 9, 2012 regarding Expulsion of Association Membership, and also indicated a fine levied against me. Consider this my intention to appeal to the PSCOA Stateboard. I am also requesting; all information used by the Trail Board on March 23, 2012 to determine the outcome, a copy of the transcripts of the trial held, and a copy of the PSCOA Constitution to include all appendix(s).

Should you have any questions/comments, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "John A. Miller", written in a cursive style.
