Dear President Trump,

The Pennsylvania State Corrections Officers Association represents nearly 11,000 Corrections Employees in the Commonwealth of Pennsylvania. Our members work inside some of the toughest prisons in the United States of America. On behalf of our members, we want to recognize your steadfast leadership and unwavering support for law enforcement, as well as your commitment to rule of law.

With this letter, we would like to officially endorse you for re-election as President of the United States. We believe that in these uncertain times your leadership is needed more now than ever. We need a President that will fight to keep America safe from anarchy and lawlessness.

The Pennsylvania State Corrections Officers Association is proud to endorse you for President. Our organization will stand with you in the upcoming election. We believe that you will continue to work towards fulfilling the promises of the American dream of life, liberty and the pursuit of happiness. These three guaranteed and essential rights can only be found in a country that exists on the principle of law.

Respectfully,

Larry Blackwell

President
