Corrections Benevolent Fund:

The Corrections Benevolent Fund is a non-profit 501 C3 foundation formed to provide monetary support to PSCOA's H-1 members and their families in need.

Throughout our lives we can be faced with life altering events such as fires, accidents and illnesses that are not covered completely by insurance. It is those incidents that the fund would like to provide assistance to our members and their families.

We are proud to offer help to our officers who work hard every day to keep those that are incarcerated inside the fence, and keep you and your family safe throughout the year!
